FOIA Fee Waiver Disposition Reached for EPA-R6-2015-000615	System	Ms. Karen Savage	10/24/2014		−

Your request for Fee Waiver for the FOIA request EPA-R6-2015-000615 has beendenied.Additional details for this request are as follows: Request Created on:10/18/2014 Request Long Description:- I am requesting any and all correspondence between any EPA office/region (including the Administrator) and Chemrisk (also known as Cardno Chemrisk) and it's employees regarding any and all human health effects after the explosion of BP's Deepwater Horizon well. This includes correspondence regarding the oil, the dispersants, any additional chemicals used, and any activities utilized (such as in situ burning). The dates of correspondence requested are from April 19, 2010 through today, October 18, 2014. - I am also requesting any and all records indicating any EPA employee experienced any health impacts while working along the Gulf Coast (Louisiana, Texas, Mississippi, Alabama and Florida) during and after the clean-up operations (from April 20, 2010 to October 18, 2014.). These health impacts do not need to have been directly attributed to the oil and/or dispersant used during the disaster.
